A Pen in Every Room

It is commonplace to see a logo hotel pen in every room, next to a small pad of paper, beside the telephone. The phone rings, a message is taken, and the guest doesn't have to dig around for a pen or piece of paper. Whenever that pen is used thereafter, it will serve as a reminder “consciously or subconsciously” of the stay at your hotel, thus keeping your brand at the forefront of people's minds.
